News & Notes

Fall Programs

Registration - starts September 6

- registration for all programs must be in person at the Library and will be on a first come, first served basis.
Class size is limited

Story Hour - ages 3 - 5

Story Hour is a fun and interactive program designed to help promote reading to children.

Your child will listen to a story, learn rhymes, songs and finger-plays, complete a craft and have a snack at each class.

Parents are not required to remain in the room, but must remain in the Library. It is helpful to have some assistance in the classroom during craft time.

Baby & Me - 0 - 12 months and Toddler & Me - ages 1 - 3

In the first years of life, children's bodies and minds grow exponentially. Both classes are designed to provide parents with simple tools to help their children take advantage of this crucial time and reach their greatest potential. We hope to provide parents with the resources that will empower children to learn and to grow through the written word.

Each class includes a story, rhymes/finger play, a craft, a snack and a parent discussion.
